

CROSSLINK MULTI-SITE ONLINE

**For your multi-office
tax business**

Industry-Leading Software for Your Multi-Office Tax Business

CrossLink Multi-Site Online is the first 100% web-based professional tax preparation solution for multi-office deployments, offering interview and forms-based input options.

With the most complete sets of Federal, State, and City forms available, and built-in verification features to help eliminate rejects, CrossLink Multi-Site Online makes e-filing of Federal and State returns a simple process that even novice preparers can easily use.

Manage Your Tax Offices Online

CrossLink Multi-Site Online enables you to expand quickly and manage your remote tax offices easily:

- ✓ Quick office setup
- ✓ No need for desktop installation or support
- ✓ Permission-based administration of office and individual preparers
- ✓ Customizable reports by location and individual tax preparer
- ✓ Secure SSL Login

Your Business, Your Logo, Your Solution

We recognize that your business, logo, brand, and solution have unique value to your customers. CrossLink Multi-Site Online enables you to:

- ✓ Own the client relationship
- ✓ Brand the online application with your name and logo
- ✓ Control your remote office experiences

Ease of Use

CrossLink Multi-Site Online is the easiest, most convenient and reliable solution for deploying professional tax preparation solutions to multiple locations – all with the single click of a mouse.

We take the success of your tax business personally.

As the owner of a high-volume retail tax business, your success is dependent upon speed, accuracy, and improved office efficiency. At CrossLink, we understand this challenge and make it our personal commitment to provide you with an on-time, stable, high-speed, and accurate solution - year after year.

**Isn't it time you worked with a tax software company
that takes your success personally?**

PUTTING CUSTOMERS FIRST SINCE 1974

CrossLink Multi-Site Online: Industry-Leading Innovation

CrossLink's innovative technology allowed its customers to be the first in the industry to:

- ✓ **Capture taxpayer signatures electronically** with the use of a signature pad.
- ✓ **Scan & Store taxpayer source documents** within the software with the single click of a hand-held scanner.
- ✓ **Text message clients directly from the software** using CrossLink's exclusive TextLink™ technology.
- ✓ **Securely backup tax returns and taxpayer source documents** for immediate access and use in the application by utilizing CrossLink's exclusive Secure Offsite Storage (S.O.S.).
