

# ELECTRONIC SIGNATURE PADS

**Save time and improve  
efficiency**

## Significantly Reduce Time Spent on Every Return

Electronic signature pads provide a quick return on investment through significant time savings, copying of documents, and filing for future access on each return. Additionally, electronic signature pads allow you to save money by reducing paper usage & storage and minimizing errors, helping you to meet government disclosure requirements and move towards a paperless office.

### Fully Integrated with CrossLink

- ✓ Built-in support for CrossLink certified electronic signature pads
- ✓ Taxpayer's digital signature is securely bound to the document for which it was intended
- ✓ Three models to choose from

### Improve Office Efficiency

- ✓ Meet government disclosure requirements
- ✓ Prepare more returns in less time by reducing tax preparation time by up to eight minutes per return
- ✓ Quick return on investment

### CrossLink certified Signature Pads:

#### Topaz SigLite™ 1x5 T-S460

SigLite is Topaz's low-cost pressure-sensitive electronic signature pad. SigLite features all the high-quality biometric and forensic capture techniques of a SignatureGem tablet, but with a low-cost touchpad and stylus in place of the active electromagnetic pen and sensor. The touchpad sensor is protected by a replaceable overlay for longer life.

#### Topaz SigLite™ 1x5 T-S461

SigLite SL is Topaz's slim low-cost electronic signature pad. SigLite SL features all the high-quality biometric and forensic capture techniques of a SigLite tablet, but with a thin 0.20" profile for extreme portability. The touchpad sensor is equipped with a protective cover when not in use.

#### Topaz SigLite™ LCD 1x5 TL460

SigLite LCD is Topaz's low-cost pressure-sensitive electronic signature capture pad. SigLite features all the high-quality biometric and forensic capture techniques of a SignatureGem LCD tablet, but with a low-cost touchpad and stylus in place of the more rugged digitizing pen and inert tempered glass surface of the SigGem tablet series.
