

TEXTLINK™

The power of immediate client communication

Text Message Your Clients Directly from CrossLink

TextLink is a text messaging service that is fully integrated within CrossLink. Using TextLink or TextLink Plus, high-volume tax offices are able to send a text message to their clients' cell phones directly from CrossLink. And now with TextLink Plus, customers can receive message replies within the software without any limitations on message quantity or frequency.

Efficiently Communicate with Your Clients

- ✓ Text message one or many clients with just a single click
- ✓ Save time and money by eliminating the need for staff dedicated to contacting clients
- ✓ Perfect for "Check Ready" notifications

A Flexible Communication Tool

- ✓ Simplify the notification process
- ✓ Customize messages
- ✓ Market to your clients
- ✓ Receive message replies directly in CrossLink*
- ✓ Messages are stored with tax returns*
