

Solutions for Your High-Volume Tax Business

Tax Software for High-Volume Tax Businesses

The CrossLink suite of tax software solutions is built for the needs of your high-volume tax business and enables the efficiency and reliability that are essential to your success.

When you select CrossLink, you select a partner dedicated to the success of your high-volume tax business.

The CrossLink Experience

Your needs as a high-volume tax business are different. The CrossLink team understands that your success is dependent upon your ability to provide your clients with fast and accurate tax refunds. And while your software plays a vital role, you also need a partner that respects your business and is dedicated to ensuring your success year-after-year. Every CrossLink customer receives:

- A dedicated account team
- Pre-season training
- 24x7 Multi-lingual support through the tax season

Isn't it time you experienced the difference of a tax software provider dedicated to the success of your business?

Single Office Solution

CrossLink 1040, a desktop solution, enables your high-volume tax office to do more with the same resources you have today so that you can improve profits by growing your business and reducing operating costs.

Increase Business by 30%

With industry leading tools designed to improve efficiency you can increase the number of returns you complete by up to 30% or more:

- Electronic Signature Pads
- Scan and Store technology
- TextLink™ for communicating with customers

35 Years of Industry Leadership

Petz Enterprises, Inc. (PEI) has been providing industry leading solutions to customers since 1974.

Fast, Easy, Efficient...

CrossLink 1040 is the Solution you Need

CrossLink 1040 is the industry's leading desktop tax software solution for high-volume tax businesses. Built for the needs of busy tax offices that specialize in providing their clients with fast and accurate tax returns, CrossLink 1040 has been a trusted solution since 1989.

With industry leading tools such as Point-and-Shoot Error Correction™, exclusive TextLink™ technology, and support for electronic signature pads, CrossLink customers are able to process tax returns more quickly and accurately than ever before.

Fast, Easy, Efficient

CrossLink 1040 is the fastest, easiest, and most efficient tax software solution for high-volume tax businesses that specialize in offering quick & accurate tax refunds. Built to speed processing of your clients returns and refunds, CrossLink 1040 helps you stay a step ahead of your competition.

- Work-in-Progress Screen for instant status of returns, acknowledgements, rejects and check prints.
- Point-and-Shoot Error Correction™ takes you directly to errors for quick fixes
- Easy-to-use forms-based input
- Multiple drains to the IRS each day
- Real-time processing with Industry Leading Banks

Industry Leading Tools and Features

CrossLink 1040 has been built with a host of industry leading tools and features designed for high-volume tax preparation businesses.

- Zero-downtime automatic software updates
- Customizable reports for the needs of your business
- Comprehensive diagnostics that check for omissions and inconsistencies
- And much more...

When you select CrossLink, you select a partner dedicated to the success of your business.
